11 And, always, it takes the miraculous to speak of omnipotence. Omnipotence is the all-powerful, and it takes the miraculous to vindicate the omnipotence. And only the miraculous can do that. Teaching of the Word is a very fine thing, and we...it comes, "Faith comes by hearing, and hearing the Word," but it always takes the miraculous to vindicate that the omnipotent still lives and reigns. We must have the miraculous. And I believe that the Church is now standing on a threshold of the greatest vindication of omnipotence that the world has ever known. There has been...

19 Tell me, my brother, tell me, my sister, when was the time that the sons of God was ever to be manifested outside of this time now? When were there ever a time in the history, they was to manifest the time to deliver all nature? Nature, the nature itself is groaning, waiting for the time of the manifestation. Why, before the atonement was made, before the Holy Ghost was ever poured out, before all the—all the Old Testament, on down there, there couldn't have been manifestations. It had to wait till this time. Now all things has been brought, coming, shaping up to a headstone, to the manifestations of sons of God coming back, and the Spirit of God coming into these men, so perfectly, until their ministry will be so close like Christ's till it will join Him and His Church together.

168 Now to you adults, the Scripture is God's Symphony. Yes. Hallelujah! Only the Composer knows what It really means, and He reveals It to those who are listening, who are interested in knowing what the drama is. But you'd

have to know about a symphony first, see. It's not just something you see, it's the—the changing, the junctions of the Word, of the music. It throws; sometime it's going this way for a while, a certain beat, after a while it changes all around. What is it? To you who wouldn't understand It or don't know nothing about It, not interested in It, it's just a racket, it's a fuss. But to those who know about It, they're watching for It, they know It's coming. Hallelujah!

Charity may visit you before morning. They don't realise it. They think it's the same old Message every day, but we are on the Threshold of the greatest manifestation of Omnipotence. Revelation 1, that made John fall down like a dead man, is ready to step out of the Little Building. (...) In there, This is what's being built. [Ed: Brother Blewett points to the Pyramid on the screen.] And This is what's coming out. That's the purpose. Oh, my! Amen? Yes! You're on the Threshold tonight. Praise God.

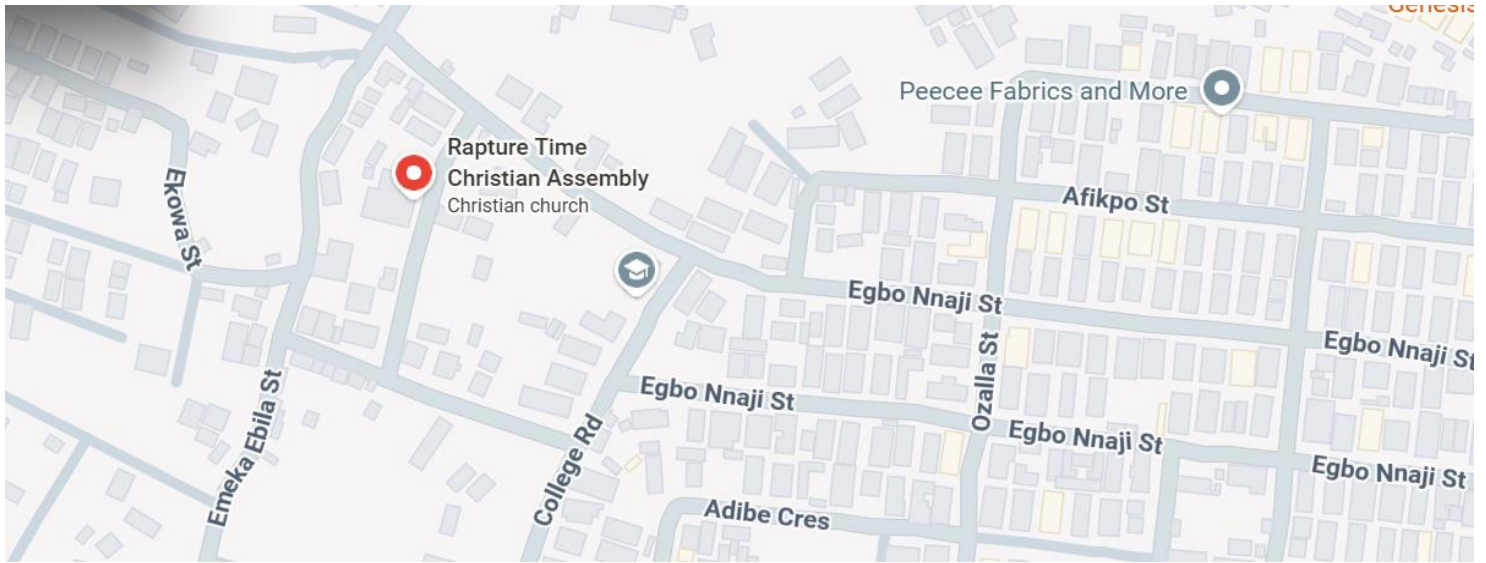

They say there's no difference in the time than when our fathers fell asleep. But brother, we've been moving on. We've been going from there, to there. [Ed: Brother Blewett points to the first great season and then the second great season.] And now, we're not only here, we are here. [Ed: Brother Blewett points to the end of the Little Building.] See that? [Ed: Brother Blewett points to the threshold on the screen.] That's the threshold. Brother Puma brought the threshold, praise God, just before New Year's Day. And Brother Smith came at the end of the service, picked up the threshold...
